# REQUEST FOR ACTION

To: Mark Leary
Deputy Director

From:

Ted Rauh
Program Director
Waste Compliance and Mitigation Program

Request Date: July 20, 2010

Decision Subject: Concurrence on Proposed Revised Full Solid Waste Facilities Permit for the Woodville Disposal Site, SWIS No. 54-AA-0008

Action By: July 23, 2010

Summary of Request: This is a request that the Director take action on a proposed new Solid Waste Facilities Permit for the Woodville Disposal Site, SWIS No. 54-AA-0008, located in Tulare County. Staff's findings and recommendations are provided relative to the proposed action.
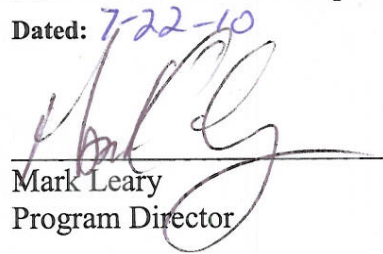

The proposed permit was received on May 24, 2010. Action must be taken on this proposed permit no later than July 23, 2010. If no action is taken by July 23, 2010, the Director will be deemed to have concurred with the issuance of the proposed permit.

Recommendation: Based on our review of the submitted permit package, staff recommends the Program Director concur with the issuance of the permit. All of the required submittals and findings required by Title 27, Section 21685 have been made and the required CEQA findings have been made in support of concurrence. Details on the findings are presented in more detail in the Waste Compliance and Mitigation Program Staff Report. The documents on which staff's findings are based are in the facility files.

Program Director Action: I have reviewed and considered the information contained in the Final Environmental Impact Report prepared for this proposed solid waste facilities permit or the project which this proposed permit is a part, including the environmental effects of the project as described in the Final Environmental Impact Report.

On the basis of the information and analysis in this Request for Action and the findings set out in the Department staff report I concur in the issuance of the Revised Full Solid Waste Facilities Permit for Woodville Disposal Site as proposed.

Dated: 7-22-10

Mark Leary
Program Director
